A Passion for God

Acts 1:8 But ye shall receive power, after that the Holy Ghost is come upon you: and ye shall be witnesses unto Me both in Jerusalem, and in all Judea, and in Samaria, and unto the uttermost part of the earth.

John 9:4 I must work the works of Him that sent me, while it is day: the night cometh, when no man can work.

God is looking for people that have a Passion for Him, a Passion for People, and a Passion to Serve. Too often we take the life changing grace of God too lightly. Too often we allow ourselves to rest in the comfort of the grace of God that provides us salvation and we never allow it to touch others around us. Serving God must be done with a passion.

Serving God is much more than an emotional experience. Serving God is more than great worship and good music. Serving God is more than reading our Bibles and praying everyday. Serving God is more than keeping ourselves unspotted from the culture around us. Serving God is about others.

God is calling the Fifth Ward church to another level of walking with Him. God is calling us to another level in our spiritual journey. Maybe you are resting. Maybe you have taken a break for a little while, or maybe you feel you have put your time in and just don't feel it anymore. But do remember God has no reserves, retirement or weekend warriors.

God is looking for people that have a Passion for Him, a Passion for People and a Passion to Serve. So church family, let us pray that God will give us that kind of Passion.
